OCEAN GLOW

Scalp Delaminator

Scalp delaminator is an exfoliant which removes excess skin cells, oil, and dandruff. It removes build up, encourages hair growth and promotes shiny hair.

Key Ingredients-

Mentha arvensis-0.05%, Aquilaria agallocha-0.15%, Glycyrrhiza glabra-0.50%, Cassia fistula-4.00%, Jatropha glandulifera-3.00%, Bambusoideae-8.00%, Aloe barbadensis-1.00%, Ocimum sanctum-0.10%, Rosmarinus officinalis-0.20%, Base- Q.S.

Directions-

It should be performed on wet, just-shampooed hair. After you comb through and separate sections of your hair, apply the scrub with your fingertips. You can also use a brush or glove designed for exfoliation. If you're using a physical exfoliant, rubbing in a gentle, circular motion can help.
